- (e) The Information on our Trading Platform may change from time to time.

## 10 Market to Limit Orders and Limit Orders

---

### 10.1 Market to Limit Orders

- (a) A **Market to Limit Order** is an order to buy or sell a particular number of shares at the current market price at the time the order is given. We will use best endeavours when executing your Market to Limit Order but we are unable to guarantee precise execution. Your order will be executed at the current market price on the ASX or Cboe (which may be different from the price at which the

shares were trading when you placed your order). If your order cannot be completed at the current market price, the unfilled portion will be treated as a Limit Order.

- (b) Market to Limit Orders are not available:
  - (1) where trading for the particular share is suspended or in trading halt;
  - (2) outside of 10:00am to 4:00pm (Australian Eastern Standard Time).

### 10.2 Limit Orders

A **Limit Order** is an order to buy a particular number of shares at a specified price or lower, or to sell a particular number of shares for a specified price or higher. We may not accept a Limit Order if we consider that the limit price is too far away from the prevailing market price of the shares. It's your responsibility to manage any unfilled portions of a Limit Order.

## 11 Conditional Orders

---

- (a) A **Conditional Order** is an instruction to place an order on your behalf to buy or sell shares in accordance with pre-determined criteria (**Trigger Conditions**).
- (b) You can place or amend a Conditional Order using the available Trigger Conditions from the drop down lists on your Trading Account. These include conditions relating to ASX code, price, start and finish times, and minimum and maximum number of shares, as updated from time to time.
- (c) Every Conditional Order must be an instruction to place a Limit Order. (We do not accept Conditional Orders to place Market to Limit Orders.)
- (d) Once a Conditional Order is triggered, the order needs to pass through a vetting process before it can be placed into the market. If the order does not pass vetting, we'll need to check it before it can be placed into the market, leading to a delay in processing the order, or in certain cases, cancellation.
- (e) You acknowledge and agree that:
  - (1) Conditional Orders are accepted by us on a 'best endeavours' basis only. The fact that Trigger Conditions are met doesn't guarantee that your order will

- be executed, or that it will be executed at the price available at the time the conditions were met;
- (2) you are responsible for monitoring your Conditional Order. If there is a system malfunction your Conditional Order may be cancelled and you'll need to re-submit it. If the market operator cancels or amends your order, you'll need to re-submit it;
- (3) we may impose limits on the number of open Conditional Orders you have;
- (4) if a Conditional Order is triggered by events during the closing single price auction, the order may be placed into the market on the next day in the pre- open;
- (5) for a sell order, the shares must be CHES-SPONSORED by us;
- (6) the price of shares may change between the time a Conditional Order is triggered and the time that order is placed into the market;
- (7) where we receive multiple Conditional Orders from you or from different clients, each with the same or similar Trigger Conditions, and these orders are triggered simultaneously, the orders will be placed into the market as soon as reasonably possible, but not necessarily in the same order as we received them; and
- (8) market conditions such as illiquidity (e.g. no buyer or seller for a stock at your Trigger Condition price) or rapid market rises and falls (e.g. where the market moves quickly through the Trigger Condition price) may make it difficult or impossible for us to execute your order in the market after your Conditional Order has been triggered.

  - (2) your use of our Trading Platform or the Information on it; and
  - (3) any failure of you to comply with this Agreement including any breach of your representations or warranties.

- (1) any failure by that body corporate to pay us any monies which are due and payable by the body corporate to us; and
  - (2) any failure by the body corporate to fulfil its obligations to us.
- (b) If more than one person executes this Agreement as a director or officer of a body

corporate, they each are jointly and severally liable for any monies payable to us by the body corporate.

- (c) Each indemnity in this Agreement is a continuing obligation, which is independent and separate from your other obligations under this Agreement.

## 13 Liability

---

- (a) We will use reasonable endeavours to carry out your instructions. However, we are not responsible for any failure to carry out your instructions for any reason. We are also not liable for failing to carry out your instructions or effecting settlement of your transactions if something happens which we can't control.
- (b) We will not be liable to you for the consequences of not receiving a notification due to us relying on the wrong email address, where you failed to notify us of a new email address.
- (c) This Agreement does not exclude or limit the application of any statute (including the *Competition and Consumer Act 2010* (Cth)) where to do so would contravene that statute or cause any part of this Agreement to be void. We exclude all conditions, warranties or terms implied by statute, general law or custom except to the extent that such exclusion would contravene any statute or cause this provision to be void. Our liability for a breach of any provision implied by law which cannot be excluded is limited to the supplying of the services again, or paying you the cost of supplying the services again, at our discretion.

**Background**

The Clearing House Electronic Subregister System (**CHESS**) is the computer system used by the ASX to facilitate clearing and settlement of trades in shares, and to electronically register the title (ownership) of shares on the CHESS subregister. Holding your shares on the CHESS subregister is efficient and convenient.

To register your shares on the CHESS subregister, you arrange with an authorised participant to sponsor you on CHESS and sign a sponsorship agreement. You are then allocated with a unique holder identification number (HIN) which identifies you as the holder of shares on the CHESS subregister.

Under this Sponsorship Agreement, you are appointing us to sponsor you on CHESS on the terms and conditions set out below.

If you have any questions about this Sponsorship Agreement, please contact us.

**23 Interpretation**

**24.5** If the Participant Sponsored Holder fails to make payment or deliver any shareholder information or documents to the Sponsoring Participant by the Settlement Date (or fails to meet its margin obligations in respect of a short sale) ("fails to settle"), whether under this Sponsorship Agreement or any other agreement between those parties, the Participant Sponsored Holder authorises the Sponsoring Participant and each of its directors, officers and managers as the Participant Sponsored Holder's attorney to give any instructions on the Participant Sponsored Holder's behalf which the Sponsoring Participant or any such attorney deems fit in their absolute discretion in respect of any of the Participant Sponsored Holder's Financial Products that are broker sponsored by the Sponsoring Participant in CHESS to enable the Sponsoring Participant to charge and/or nominee those Financial Products or sell those Financial Products and generally to place the Sponsoring Participant in a position to apply the aforesaid Financial Products and the proceeds from the sale in reduction of the Participant Sponsored Holder's liability to the Sponsoring Participant and to recover the Sponsoring Participant's costs in so acting.

**24.6 (a)** Where an amount is lawfully owed to the Sponsoring Participant either by the Participant Sponsored Holder or a third party in connection with a Financial Products transaction in relation to which Financial Products are lodged as collateral by the Participant Sponsored Holder with the Sponsoring Participant, in addition to having the right to

The Participant Sponsored Holder must execute such Deed of Charge within forty-eight hours of the request to do so, failing which the Participant Sponsored Holder appoints each Director of the Sponsoring Participant severally as its duly appointed attorney to execute on behalf of the Participant Sponsored Holder such Deed of Charge, and to sign all further documents and do all things to cause it to be registered at ASIC.

- (b) any rights of the Existing Sponsoring Participant are transferred to the New Sponsoring Participant; and
- (c) the Existing Sponsoring Participant is released by the Participant Sponsored Holder from any obligations arising on or after the Effective Date.

**30.4** The novation in clause 30.3 will not take effect until the Participant Sponsored Holder has received a notice from the New Sponsoring Participant confirming that the New Sponsoring Participant consents to acting as the Sponsoring Participant for the Participant Sponsored Holder. The Effective Date may as a result be later than the date set out in the Participant Change Notice.

**30.5** The Participant Sponsored Holder will be taken to have consented to the events referred to in clause 30.4 by the doing of any act which is consistent with the novation of the Sponsorship Agreement to the New Sponsoring Participant (for example by giving an instruction to the New Sponsoring Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.

**30.6** The Sponsorship Agreement continues for the benefit of the Existing Sponsoring Participant in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes

the novation in clause 30.3 not binding or effective on the Effective Date, then the Sponsorship Agreement will continue for the benefit of the Existing Sponsoring Participant until such time as the novation is effective, and the Existing Sponsoring Participant will hold the benefit of the Sponsorship Agreement on trust for the New Sponsoring Participant.

**30.7** Nothing in this clause 30 will prevent the completion of CHES transactions by the Existing Sponsoring Participant where the obligation to complete those transactions arises before the Effective Date and the Sponsorship Agreement will continue to apply to the completion of those transactions, notwithstanding the novation of the Sponsorship Agreement to the New Sponsoring Participant under this clause 30.

Notice by the other party to the Sponsorship Agreement.

**34** Variation

---

Should any of the provisions in this Sponsorship Agreement be inconsistent with the provisions in the ASX Settlement Operating Rules, the Sponsoring Participant will, by giving the Participant Sponsored Holder not less than seven (7) Business Days' written Notice, vary the Sponsorship Agreement to the extent to which in the Sponsoring Participant's reasonable opinion it is necessary to remove any inconsistency.

**35** Copy executed Sponsorship Agreement

---

**35.1** The Participant Sponsored Holder, by signing the Account Application and electing in that application to be CHESSE Sponsored by us, agrees to and is bound by these CHESSE Sponsorship Terms and Conditions, and further expressly instructs the Sponsoring Participant not to provide the Participant Sponsored Holder with a hard copy of the Account Application signed by the Sponsoring Participant within three (3) Business Days of such execution.
